Results from Gateway
From Allyn Evans: At the end of the program, one of our participants wanted to share something that had happened during closing circle while she was sharing.

Right after she spoke, her husband walked in to announce that they had received acknowledgement about an injury settlement (an accident happened in Mexico). They had gone months with no response or forward motion. Turns out they had been awarded the amount she had been visualizing on a check in two of the Gateway meditations.

She was ecstatic! So, we ended with a bang!

When I'm on hold
Many of you have noticed that my left rear bumper has an owie. I backed into a sapling when visiting Joe and Scooter just before COVID hit. It was time to get it fixed and I called State Farm to get the ball rolling. What do I do when on hold to "speak to the next available agent?" I count the number of people who have used our free meditations.
New number: **181,395**
Nice work team.

That's it.
I look forward to seeing you on Friday,
Scott
